

## MacPower CD4

The fourth MacPower CD is now available. It contains freeware and shareware files and several files from previous CDs that were updated. MacPower CDs may be ordered by members for delivery at each meeting. They contain freeware and shareware that has been downloaded for immediate installation. The cost is \$3.00 each. To order, email rhodyman@earthlink.net. One will be waiting for you at the next meeting. Here's a list with brief descriptions of the 31 files on the CD:
